2) Fees for Non EU students remain constant for the duration of the course unless the course registration is subsequently suspended or entry is deferred, in which case the fee rate in force at the time of re-registration will be charged.

3) Where confirmation of an unconditional place on a course or the issue of a Confirmation of Acceptance for Studies (CAS) is subject to the payment of an advance deposit, this will be non-refundable except in certain cases (e.g. certified illness). Such deposits will be offset against the tuition fee due. A 'deposit' is defined as a 'non refundable pre-payment towards the tuition fee'.

4) Please note that bench fee/laboratory charges may be raised on certain postgraduate courses. Students will be informed of this when offered a place at the University.

5) Charging and refund policy

- < A full refund to the deposit payment will only be given to students in special cases (e.g. certified illness). **Refunds will not be made in cases of visa refusals.**
- < International students who wish to withdraw after registering at Bangor University must contact the Academic Registry Office in writing before the withdrawal deadline (see below) in order to qualify for a refund. The Academic Registry Office will notify the International Office and Finance Office within three days regarding each withdrawal.
